Education

Newton School of Technology Jan 2025 – 2029
B.Tech, Computer Science (AI & ML) | CGPA: 7.53 *Sonipat, Delhi NCR*

Work Experience

COO Office, Rishihood University Jun 2026 – Aug 2026
COO Office Intern

- **Designed and executed Semester Zero** end-to-end using **3 competitions, 10+ sessions and a 6-week quiz series across 5 courses**, delivering a pre-orientation program for **600+ incoming learners**.
- **Owned all learner-facing communication** using **WhatsApp and email** (announcements, reminders, documentation guidance), reaching **multiple cohorts** independently.
- **Led the Communication Department** and supported Ops & Events for **Team Arambh**, delivering a **7-day orientation** for **600+ incoming learners**.

Projects

Startup-Info — Startup Schemes Discovery Platform | Live 2026

- **Built a live discovery platform** using **TypeScript, Tailwind CSS and Vercel** with a 5-question eligibility checker, helping founders find **50+ schemes**; **adopted by 30+ E-Cell members**.

Company Breakdown — Minimalist (D2C Skincare) | Notion Feb 2026

- **Analyzed Minimalist's D2C model** using FY25 financials and LTV:CAC (D2C 11.7x vs. Modern Trade 2.5x), mapping **Rs. 514.8 Cr revenue (+48% YoY)** and flagging **dermatologist referral** as the top underinvested channel.

The Product Guys — Daily PM Learning Platform | Live 2026 – Present

- **Built a daily PM learning platform** using **5-minute lessons, weekly teardowns (Duolingo, Spotify, Notion, Figma, Stripe), PM Duels and 120 psychology principles**, drawing **600+ visitors**; authored teardowns and now **designing an interactive teardown section**.

Competitions

- **2nd Place, The Desk** — BITS Pilani: live valuation game (BUY/SELL/PASS against hidden true value).
- **3rd Place, Global Circuit Virtual Hackathon:** built an ECG signal intelligence pipeline (R-peak detection, AF flagging, HRV markers) in 48+ hours.
- **Team Lead, GryffinsDev** — Smart India Hackathon 2025.
- **Finalist, Mind the Product & Productathon** and **Top 5 of 300 teams, Investopedia** — E'Summit IIT Roorkee (2026).
- 6+ national challenges across IIT Kanpur, Roorkee, Delhi, BITS Pilani, NSUT, DU and Ashoka (2025–26).

Positions of Responsibility

Entrepreneurship Cell (E-Cell), Rishihood University Aug 2026 – Present
Chief of Staff

- **Aligned E-Cell's strategic priorities** by working closely with the **President** across the Core Committee, translating strategic decisions into execution.
- **Drove cross-functional execution** across a **50+ member E-Cell** by tracking deliverables, consolidating updates and escalating dependencies to leadership, keeping the **Core Committee** accountable.
- **Designed startup sessions** on building, teardowns and frameworks, **guiding members on 10+ startup ideas** and closely mentoring startups.

Arthakram — Product & Consulting Club Oct 2025 – Present
Associate Product Manager *Sonipat, Haryana*

- **Led product teardowns** of Minimalist and Blinkit Single Mode using **competitive positioning, pricing logic and UX failure-point analysis**, educating **40+ members**.
- **Coordinated 50+ participants** across **20+ product and entrepreneurship competitions** by managing judges and sponsors and designing PM problem statements on user research, prioritization and GTM.

Skills

Product: User Research · Product Strategy · Roadmapping · PRD Writing · A/B Testing · KPI Tracking · OKRs · GTM
